

A vertical photograph of a tropical landscape. In the foreground, a swimming pool with a white tiled deck and a white balustrade is visible. Two lounge chairs with white cushions are placed near the pool. The pool is surrounded by lush greenery, including several tall palm trees and other tropical plants. In the background, a large body of water, possibly a lake or a wide river, stretches across the horizon under a clear blue sky. The overall scene is bright and sunny, suggesting a warm, tropical climate.

KWD GROUP

Outdoor Spaces

The team at KWD Group, formerly known as Kirsch Michael Design, creates spaces where extraordinary experiences become everyday moments. The firm's collaborative approach to design facilitates a unique vision of spaces whether designed as a master plan or developed on a single build basis. Over the last three years, the firm has established a strong client base in South Florida, with projects in the Fort Lauderdale and Fort Lauderdale Beach area. The firm's design for outdoor and indoor spaces, though the work is primarily residential, KWD Group strives to maintain a mix of projects in the office. Working at different scales helps the firm designers think "outside the box" and reimagine the firm as the leading edge of creative architectural, interiors and event design. Founder Kevin Michael has founded a complete culture of respect that influences how the firm designs, placing strong emphasis on listening to the client and the site. KWD Group has been recognized with numerous awards for its work with hospitality clients and residential master communities.
